Cotton candy tips

TIPS

- Bagged floss keeps a day or two, depending on the humidity
- Use bags to make & display cotton candy in advance – use cones for immediate sales
- If the machine will be used more than 20 feet from the power source, be sure to have an adequate extension cord

HOW TO PUT COTTON CANDY IN BAGS?

- Make a big & fairly firm cotton candy on a stick
- Hold the bag open with one hand while holding the cotton candy with the other
- Twist the serving gently down into the bag
- Twist the bag with the cone & floss inside, tie & display

Nifty facts on cotton candy!

Cotton Candy was originally called Fairy Floss. It was also called Spun Sugar!

Cotton Candy has only one ingredient, sugar. Fairy floss has been around since the 14th century, when it was a popular home-made treat.

The first cotton candy machine was patented in 1899 by Wharton & Morisson.

Cotton Candy was a huge success upon its arrival at the World's Fair in 1904.

Fairy Floss and Spun Sugar started being called Cotton Candy in the 1920s.

National Cotton Candy Day is celebrated on November 7th.
